

Problem1: Quiz App

The screenshot shows a mobile application interface. At the top, there is a purple header bar with the text "QuizzApp". Below the header, the main content area has a white background. The first section is titled "Quizzes" in bold black font. It contains a question: "Quizz 1: How do we create a static member in Kotlin class?". Three radio button options are listed: "Using the 'static' keyword", "Using a companion object", and "Using a private companion object". The second section is titled "Quizz 1: A dataclass in Kotlin already give us implementation of:". Three checkbox options are listed: "toString()", "compareTo()", and "copy()". At the bottom, there are two buttons: a purple "SUBMIT" button on the left and a grey "RESET" button on the right.

Quizzes

Quizz 1: How do we create a static member in Kotlin class?

- Using the 'static' keyword
- Using a companion object
- Using a private companion object

Quizz 1: A dataclass in Kotlin already give us implementation of:

- toString()**

Problem2: RecyclerView

The screenshot shows a mobile application interface with a blue header bar at the top. On the left of the header is the time "9:32" and on the right are icons for signal strength, battery level (12%), and other system status. Below the header is a blue navigation bar with the word "Walmart" in white text. Underneath the navigation bar, the text "Welcome usfaa444@gmail.com" is displayed in blue. The main content area is titled "Shop By Category" in bold black text. It features four rounded rectangular cards, each representing a category:

- Electronics**: An icon showing various electronic devices like a laptop, smartphone, and camera.
- Electronics**: An icon showing a collection of women's clothing items including a blazer, turtleneck, pants, a handbag, a scarf, sunglasses, and shoes.
- Beauty**: An icon showing various makeup products like lipstick, eyeshadow, and brushes.
- Food**: An icon showing a variety of food items including fruits, vegetables, dairy products, and packaged goods.
